

PUBLIC NOTICE OF COPPER RETIREMENT UNDER RULE 51.333
Copper Retirement ID No.

May 30, 2024

Carrier: Pioneer Telephone Cooperative, Inc., 108 East Robberts Ave., Kingfisher, OK 73750

Contact: For Additional Information on these planned network changes, please contact:

Pioneer Telephone Cooperative, Inc.
Attention: Jeremie Hill – Dept. Manager of Broadband Services
108 East Robberts Avenue
Kingfisher, OK 73750
(405) 375-0605
jjhill@ptci.com

Implementation Date: On or after *October 1st, 2024*

Planned Network Change(s) will occur at all remaining locations in the following wire centers in Oklahoma:

See attached Exhibit A, which includes locations in the following wire centers: Canton, Gould, Hollis, and Shattuck.

All of Pioneer Telephone Cooperative Inc.'s (hereinafter referred to as "Pioneer") copper retirement notices may be viewed on Pioneer's website at: <https://gopioneer.com/terms-conditions/>

Description of the planned network change(s):

Pioneer intends to retire the copper facilities at the locations listed above. Pioneer has deployed or plans to deploy its fiber-to-the-premises network in these area(s) and intends to provide services over a fiber network infrastructure. Upgrading from copper to fiber facilities will provide benefit to Pioneer's customers in terms of reliability, resiliency, and available bandwidth.

Description of reasonably foreseeable impact(s) of the planned change(s):

After retirement of the copper facilities, Pioneer will: (1) no longer offer services over copper facilities; and (2) cease maintaining copper facilities. To help ensure an orderly transition, Pioneer may require customers and interconnecting entities to migrate services off of copper facilities well before the copper retirement implementation date.

Jim Lemon, Attorney/Department Manager - Legal
