

From the General Manager - Blake Callaham

We welcome 2025 as it brings many opportunities, and for Pioneer, it reaffirms our mission of connecting rural western Oklahomans to enhance their quality of life through continuous innovation and technology. Over the past year, we have made remarkable progress, from expanding fiber deployment and advancing technology to forming strategic partnerships and laying the groundwork for our 2030 strategic plan, Project Lightspeed. You will learn more about these initiatives in our Annual Report, and we invite you to join us at our Annual Meeting to hear firsthand about our progress and future vision.

This year, we celebrate our 72nd anniversary—a milestone that reflects our ongoing journey in the communications industry. The evolution of connectivity has been extraordinary, constantly reshaping how we interact and ultimately enhancing our daily lives. At Pioneer, we embrace agility and adaptability, recognizing that the future will rely on fiber connectivity, but the next groundbreaking application remains unknown. Consider how the iPhone revolutionized the mobile industry in 2007 or how Uber transformed the taxi industry in 2010 using 3G connectivity, later expanding its services through advancements in 4G and 5G technology. We may not know the next transformational application or service, but we

believe fiber technology is the gateway, and we will be ready to adapt and provide that solution to connect what matters for you and your family just as we have for the past 72 years.

Education plays a vital role in shaping the future workforce. Whether through specialized training in Career Tech programs or pursuing a bachelor's degree, developing knowledge and passion is essential. Pioneer is proud to support students in achieving their educational goals by offering financial assistance through our College and Technology Center Scholarships.

We are pleased to announce that applications are now open for these scholarships. The Scholarship Committee will review applications from students entering their junior or senior year of college in August 2025. Recipients of the College Scholarship will receive \$1,000 per semester, up to a maximum of \$2,000 per year. Additionally, we will consider qualified applicants for the Technology Center Scholarship, which provides \$1,000 toward tuition and fees for their chosen program.

We encourage all eligible students to apply through our website at GoPioneer.com under **Community Resources > Scholarships**, where they can find application details and submission requirements. While email submission is preferred, applications may also be sent by mail. The deadline for applying is June 6, 2025. Requirements for each scholarship are available in this issue of Tele-Topics on page 6. Completed applications should be sent to:

techscholarship@ptci.com
collegescholarship@ptci.com
or

TIPS FOR SUCCESS

Start early

Give yourself plenty of time to complete the application thoughtfully.

Reach out

You'll need two references, so contact teachers, mentors, or community leaders early to ask if they're willing to help.

Check eligibility

Make sure your parent or guardian is a Pioneer Cooperative member.

Be authentic

Use the essay or short answer sections to share your goals, passions, and what makes you unique.

Proofread

Review your application for spelling, grammar, and clarity—or ask someone you trust to help.

PIONEER COLLEGE/TECHNOLOGY CENTER SCHOLARSHIPS ANNOUNCED

Pioneer Telephone Cooperative, Inc., has announced applications are available for both the 2025-2026 College Scholarship AND the 2025-2026 Technology Center Scholarship.

The College Scholarship(s) awarded will provide \$1,000 per semester for tuition and/or books for a maximum of \$2,000 per year.

The Technology Center Scholarship(s) awarded shall cover the cost of tuition and fees for \$1,000 per program.

Review the requirements and required documents below. Visit GoPioneer.com/community/scholarships for the application.

REQUIREMENTS FOR CONSIDERATION

1. The son, daughter or legal dependent of a residential subscriber of Pioneer Telephone Cooperative, Inc., shall be eligible for consideration of one (1) of up to twelve (12) *College Scholarships* OR one (1) of up to twelve (12) *Technology Center Scholarships* to be awarded each year.
2. A subscriber is defined as a member of the Cooperative whose membership account for services is located in the landline telephone exchange boundaries; and, subscribes to a retail landline dial tone service with Pioneer Telephone Cooperative, Inc.

OR

Subscribes to a residential retail landline stand-alone Digital Subscriber Line Service, (DSL), provided by and using Pioneer Telephone Cooperative's landline copper or fiber facilities, with or without a corresponding analog voice, (dial tone), service.

The Scholarship Committee will consider all applicants who will be entering their Junior/Senior College year in August 2024.

The Technology Center Scholarship committee will consider all qualified applicants.

Note: Dependents or children of any Employee of Pioneer Telephone Cooperative, Inc., shall only be eligible for consideration of the scholarship awarded from the Thirteenth (13th) District-At-Large of the Cooperative each year.

Note: Any scholarship granted shall be evaluated at least annually. School standards must be maintained to continue funding of the scholarship.

Note: The Board of Trustees of Pioneer Telephone Cooperative, Inc., reserves full discretion with regard to the granting or renewal of any scholarship.

ITEMS TO BE SUBMITTED

College Scholarship Applicants

1. College and/or High School transcripts
2. ACT or SAT scores
3. Two (2) Letters of Recommendation from a high school administrator, instructor, or professor who is familiar with your character and academic performance.
4. Teacher Education acceptance letter if the applicant is an Education Major.
5. Submit an essay of 500 words or less answering one of the following questions:
 - i. Tell us about a teacher or professor that impacted you and why that made you select your current field of study.
 - ii. Tell us about your favorite "pioneer" in your field, one discovery, or moment that sparked your interest in your current field of study.
6. Applicant must complete the College Scholarship Application Form
7. Applicant must attach a studio-quality (color) picture of themselves to the Scholarship Application Form
8. Attach a list of scholarships, grants and/or tuition waivers. Include the amount of each one and how often it is received, i.e., per semester, per year, etc.

Technology Center Scholarship Applicants

1. High School transcripts, if available
2. ACT or SAT scores, if available
3. Two (2) Letters of Recommendation from a high school or current instructor who is familiar with your character and academic performance.
4. Submit an essay of 500 words or less answering one of the following questions:
 - i. Tell us about someone that impacted you and why that made you select your current field of study.
 - ii. Tell us about your favorite "pioneer" in your field, one discovery, or moment that sparked your interest in your current field of study.
5. Applicant must complete the Technology Center Scholarship Application Form
6. Applicant must attach a studio-quality (color) picture of themselves to the Scholarship Application Form
7. Attach a list of scholarships, grants and/or tuition waivers. Include the amount of each one and how often it is received, i.e., per semester, per year, etc.
