**9.** If successful, the Mail app will verify your email is ready to use as indicated by blue check marks (*this pops up very briefly before taking you to final screen*). If something is not correct, please make sure you have the appropriate incoming/outgoing host names entered correctly and please verify that you are typing in the correct Email/Password on both Incoming/Outgoing Mail Servers.

If you are not sure of your login credentials, you can try a test login via webmail access at the following URL: <u>mail.pldi.net</u> (If you need assistance changing your email password call support at 1-888-782-2667)
