Quick Start Guide: Setting up your WiFi and App

GoPioneer SmartWiFi

- 1** Download the app. Search either the Apple App or Google Play Store for 'GoPioneer SmartWiFi' or simply point your mobile device camera at the QR code to take you to the app store, then install the app on your mobile device.

- 4** Tap the QR code that appears within the app. (You will be asked to allow the app to access your camera.)

Point your camera at the QR code found on the bottom of your GigaSpire, or on the sticker that came in your box (example shown).

- 2** Select the "Let's get Started" button towards the bottom of the screen to sign up.

Let's get Started

- 5** Select OK.

- 6** Tap the "Click here to skip" text since your WiFi is already working.

Click Submit and you're all done!

 **Pioneer** GoPioneer.com
Internet

- 3** Enter your personal information. The password you enter here will be used to access the app.

NOTE: Please wait at least 10 minutes after your GigaSpire has been 'turned up' before attempting step 4.
